

THE JUNIOR JOURNAL

FEBRUARY 2025

What's Happening in February?

French Second Language Week

Our school will be recognizing how fortunate we are to provide learning opportunities in two languages during French Second Language Week (February 3-7). The theme, Discover the cool side of French!/Découvrez le côté cool du français! will be highlighted with a visit from the MCS French Immersion Class!

Staff Appreciation Week

February 9-15 has been proclaimed as Staff Appreciation Week. Please consider taking the time to recognize a staff member by filling in the following:

<https://www.christtheteacher.ca/news/teacher-staff-appreciation-week-20250114150804>

A Month Full of Events

February is always a very busy month so don't forget to find us on Social Media and check agendas for more information regarding events that some classes will participate in such as: Black History Month, Indigenous Storytelling Month, the 100th Day of School and Valentine's Day!

A Few Reminders...

Register for 2025-26!

We are now accepting registrations for Kindergarten and application for prekindergarten for the 2025-26 school year. Please call the office (**306-728-4758**) for more information or to receive necessary forms. Children born in 2020 can register for the 2025-26 Kindergarten program. Children who will be 3 or 4 during 2025-26 can apply for prekindergarten.

School Messenger

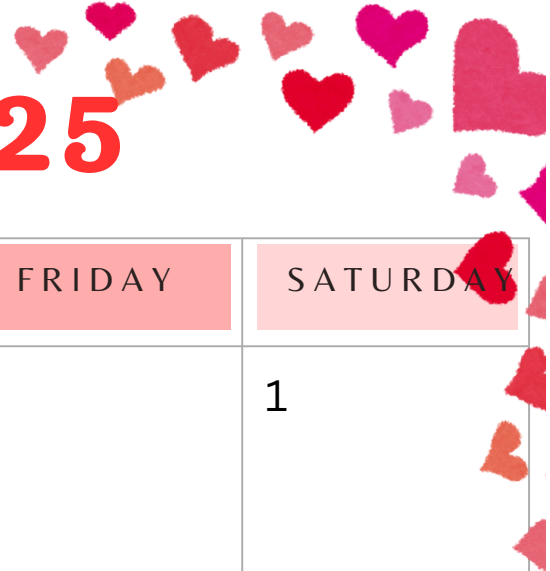

Information about our new communication tool, School Messenger, was sent home with families at the end of January. Please let the school know if you did not receive this hard-copy information, if you have any questions, or if we can provide any assistance. We look forward to connecting with you in this new way!

Family Literacy Projects

On January 27th we sent home information with each child about our Family Literacy Events. Please continue to send us pictures of the activities your family does while "Thinking Green". Each photo gets your child an opportunity to participate in our shared recycled art project.
