

# THE JUNIOR JOURNAL

DECEMBER 2024

## What's Happening in December?

### Advent Celebrations

Each Monday we will join together in prayer to light a candle on our Advent wreath. We will learn together, and in our individual classrooms, all about preparing for Christmas with hope, faith, joy and love.

### School Skating

Our grade 1-4 students will be heading to the CN Center on December 20th in the PM for an opportunity to skate (permission form will be sent later this month). If your child will need skates and/or a helmet, please call the school, or send a note in the agenda by December 9th so we can ensure they have them for school skating.

### Regional Park Tour of Lights

Families are encouraged to check out the first Tour of Lights in the Regional Park this December. A special display created by our staff will be part of the tour!

### School Art Project

Check out the front windows of our school as some of them will be transformed in December with a whole-school art project!

## Reminders

The school will be closed  
December 21, 2024-January 6, 2025.

Classes will resume Tuesday,  
January 7th, 2025.
